

TENANT USERS LIABILITY COVERAGE

VACORP's TULIP program covers events held by a third party on your property with \$1 million of protection for around \$100.

VACORP's TULIP program will provide your events with the necessary coverage needed for potential liability and property damage.

Our Solution

We offer an inexpensive solution to providing coverage for an event held by another party on a member's property.

- The \$1,000,000 coverage will reduce member liability for any injuries or property damage that may happen.
- Host liquor liability is included in cost, but if alcohol will be sold, a separate application must be completed.
- Simply request TULIP coverage and you can pay through the VACORP Web site. The certificate of insurance will be emailed to the purchaser and the VACORP member.
- Types of activities that may merit TULIP insurance would be weddings, seminars, receptions, sporting events, concerts, and other public and private events.

Benefits to You

- The process is quick, easy, and affordable- just make the request on our website.
- TULIP will cover a variety of potential claims for your event.
- Gives you the reassurance of being protected.
