

## VIRTUAL TRAINING FOR SCHOOLS

**We go to great lengths so training is available to our members... anytime, anywhere. But our main goal is to make it truly engaging.**

Everything is web-based now, including training. VACORP strives to offer training that's engaging to your employees, keeps the attention of any audience, and produces the highest retention of the content possible.

### Our Solutions

**SafeSchools:** We offer 24-hour access to 10 free courses for employees that are focused on safety. Online viewing makes it easy to track compliance.

For Schools, free training courses are:

- Automated External Defibrillators (AED)
- Back Injury & Lifting
- Bus Behavior and Discipline
- Cardiopulmonary Resuscitation (CPR)
- Defensive Driving
- First Aid
- Playground Maintenance & Inspection
- Slips, Trips & Falls
- Special Education: Lifts & Transfers
- Special Education: Safety in the Classroom

We also offer preferred pricing on the entire safety course catalog.
