

Meet your Risk Control Team

Our Risk Control team turns real-world insight into smarter training, stronger prevention, and real protection. We leverage member-specific data and Pool-wide loss trends to guide every recommendation we make, helping you prevent loss and improve safety across your organization

Chris Stewart

Risk Control Manager

Chris joined VAcorp in 2026 and brings more than 20 years of experience in safety and risk management across industrial, mining, construction, and emergency response settings. His background includes safety leadership, regulatory compliance, and workforce training.
