

Vector Training

# VAcorp Offers FREE Online Staff Training to Virginia Schools

## Access to Award-Winning Safety & Compliance Training Management System

VAcorp is pleased to offer complimentary access to Vector Training, an award-winning safety and compliance training management system, to all of its members.

Trusted by thousands of K-12 administrators, Vector Training delivers high-quality, expert-authored courses on important topics such as safety, prevention, and special education. This convenient online system can help districts reduce risk, improve safety, and save valuable time and money. VAcorp members receive access to 14 courses at no cost.

### Automated Features Make Administration Easy

- Set up personalized training plans in minutes for groups of staff, new hires, or individuals.
- Keep everyone on track with email notifications and reminders of assignments.
- Track course completions in real-time.
- Receive compliance reports directly in your inbox.
- Integrate Vector Training with systems you already have in place through LDAP/Active Directory, Single Sign On (SAML Integration), and SCORM LMS.

To get started with Vector Training, scan the QR code or visit the URL to complete the implementation request form.
